Pope Francis wants to know: Do you know the date of your Baptism?

Pope Francis has asked people several times since he became pope if they know the date of their baptism. Why does Pope Francis want you to know this date? We recently celebrated Jesus' baptism; it is always the last day of the Christmas season.

Pope Francis says, "It is important to know the day on which [you were] immersed in that current of Jesus' salvation. And I will allow myself to give you... a task for today. Today, at home, go look; [find out] the date of your Baptism.... To know the date of our Baptism is to know a blessed day to remember it as the day God welcomed you into God's family, the Church!"

Beauty of Stewardship

January 26 – 3rd Sunday in Ordinary Time

The calling of the first disciples in today's Gospel is profoundly inspiring. We are told that Peter, Andrew, James and John immediately left their businesses, possessions, and even families, to follow Jesus. They had only just met the man! They were ordinary men called to an extraordinary mission. Is there anything you still need to leave behind, or let go of, to be an even better disciple? Stewardship means sharing our gifts, without hesitation, in the service of God and one another. Let go and trust God, for we too are called to be "fishers of people".
