Stewardship Corner Thirteenth Sunday in Ordinary Time Weekend of June 29/30

In today's second reading, St. Paul offers the community at Corinth a spirituality of giving. He urges them to give and maintains that through their generosity, they will in turn be given in return much spiritual abundance. They will receive from those who are the beneficiaries of their own giving; a reciprocal gift that amounts to an equality of giving, made possible through the generous mediation of Christ Himself. This is an excellent reading for reflecting on the spirituality of giving. This week, take time to reflect on the ways you might discover a deeper joy in Jesus Christ because of your own generosity toward others.
